- **DROPBOX** download as soon as the editing is complete.

PREMIUM PACKAGE

**\$3000**

EXCLUDING GST

**TIMELESS**  
WEDDING FILMS

# OPTIONAL ADD-ONS

## **Additional Hours:**

The video package includes an 8 hour day.

**\$250 + GST** per hour for extra shooting time.

## **Feature Film Edit:**

We will create a 60-90 minute feature film length edit of your wedding. This is a great option to show friends and family the full length wedding. The edit will include music montages in between the Ceremony and Reception and a light colour grade. Delivered in Full HD.

**\$1500 + GST** for the Feature Film Edit

## **Photobooth:**

Black classic style photobooth with an attendant and unlimited photostrip prints.

Includes a customised photostrip with your wedding details and date on the bottom of the strips. You will receive a USB at the end of event with all the photostrips and individual photos included on it.

**\$650 + GST** for the length of the reception

**Travel Fee:** Long distance locations that are further than 50kms from the CBD will require a travel fee. This includes areas such as Geelong, Phillip Island and Mornington Peninsula.

**\$100 + GST** travel fee for most locations (please enquire)
